

DATASHEET

Three-Phase Hybrid/AC Inverter

AC3-5.0-E / 6.0 / 8.0 / 10.0

3-PHASE

HYBRID/AC INVERTER

Harness the power of the sun day and night with the ground-breaking range of Hybrid & AC inverters from Fox ESS.

Full of advanced features and compatible with our very own range of high-voltage batteries, the hybrid range from Fox ESS. It is a new class of Inverter.

Fox ESS storage solutions are available with advanced and intuitive app based remote control and monitoring functionality.

Easy Installation

Flexible configuration, plug and play set-up, built-in fuse protection.

High Voltage

Includes high-voltage batteries for maximum round-trip effciency.

IP65 Rated

Engineered to last with maximum flexibility. Suitable for outdoor installation.

Remote Monitoring

Monitor your system remotely via smartphone app or web portal.

BATTERY EXPANSION EASY UPGRADE

Easily expand your system by just add extra batteries. There are three battery series you can choose, which enables a storage capacity of up to 33.24 kWh. There are Max. 10 storage inverters can be connected in parallel to allow you enlarge the system scale base on different installation requirement.
